Legend.....	5

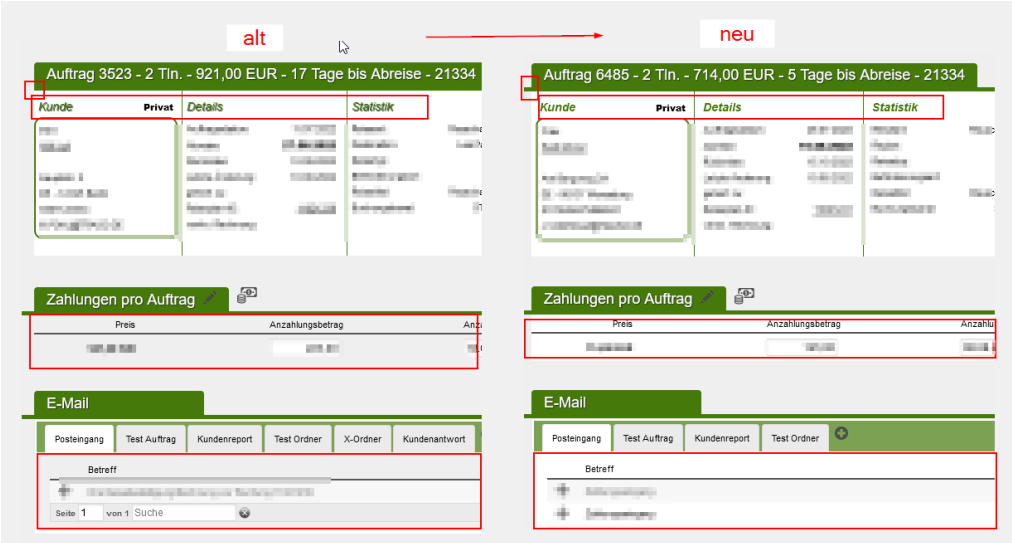

1. In General

Art	Beschreibung
Bugfix XMID-1545 XMID-1520	<p>Update for airline codes:</p> <p>The list of airline codes has been updated. The name for the IATA code „QG“ was corrected to „Citilink“ because the data was outdated.</p> <p>The airline code for „Uganda Airlines“ was changed from „QU“ to „UR“.</p>
Extension XMID-1582 XMID-1584	<p>Extension of the airport list with new 3-letter codes:</p> <p>The list of airports has been expanded. The 3-letter codes „JIC“ for Huai An Lianshui Airport and „HIA“ for Huai An Lianshui Airport in China are available.</p>

2. Administration

Art	Beschreibung
Extension XMID-1505	<p>Tax accounts for discount rules:</p> <p>In the area of Price Rules > Discounts, it is no longer possible to store two tax accounts. This avoids sources of error. It is now only possible to define either a tax-free account or a taxable account.</p>

3. Order

Art	Beschreibung
Extension	Coloring in various areas:
XMID-1569	<i>A) Headings without shadows:</i>
XMID-1543	In the areas of „Order, customer, supplier overview“, the font shadows have been removed to improve readability.
<div data-bbox="427 613 1444 734" style="border: 1px solid black; padding: 5px;">  </div> <p data-bbox="427 824 821 862"><i>B) Areas with backgrounds:</i></p> <p data-bbox="427 891 1444 963">In many areas missing backgrounds have been added. This improves the overview and makes the demarcation to the sub-areas clearer.</p> <p data-bbox="427 992 1444 1115">In addition, other small details in the view have been improved, for example, missing frame lines between the individual areas such as manual booking, in the order profile, in the customer profile and other areas.</p> <div data-bbox="427 1122 1444 1662" style="border: 1px solid black; padding: 5px;">  </div>	

4. Accounting

Art	Beschreibung
Bugfix XMID-1563	SP-Import Allianz: In the Allianz SP-import, the items with D-Collection were displayed with the wrong sign in the import list, which meant that the payment amount was not displayed correctly. From now on, the displayed payment amount matches the settlement.

Legend

Extension = Software extension, new function may be associated with additional costs. Please contact your support if you are interested, we will be happy to help you with advice.

Bugfix = Fixing of errors
